CALL TO ARTISTS

8th Annual Curious Camera Competition

Competition & Prizes

ArtsEye and Photographic Works is proud to present the 8th Annual International Curious Camera Event. Curious Camera is a friendly competition calling on artists worldwide to embrace the unpredictability and fascination of photography using their favorite cameras and processing techniques.

1st, 2nd & 3rd place winners will receive a camera, film and a trophy they can proudly display. Winners will be featured in our gallery exhibition.

Guidelines aka the Rules

Images must be made with one of the following camera categories or processing techniques:

Pinhole – homemade or manufactured

Plastic Lens – Holga, Diana, Blackbird Fly, etc.

Vintage – older than 1950; ex: No. 2 Brownie, Leica II etc.

Instant – Polaroid, Fuji Instax, Impossible, etc.

Alternative Process: Cyanotype, Vandyke, Gum Bichromate, Salt, Lumen, or Liquid Emulsion prints.

ArtsEye Gallery Exhibition, April 30th

Judges will select the top 20 images which will be printed and framed by Photographic Works. Artwork will be 8x10 archival pigmented ink prints on smooth watercolor paper, framed with museum quality materials. Artists will have the opportunity to sell their artwork and purchase prints. All submission images will be digitally projected in our gallery.
